

Dragon Cup Tournament Rules

- All games prior to finals count towards bracket placement. Positions will be decided according to the following formula: 3 points for a win, 1 point for a tie and 0 points for a loss. In the event of a tie, goal differentials will decide placement.
- During the elimination bracket at the end of the season, games ending in a tie will be followed by two 5 minute over-times. If at the end of OT the game is still tied, a 5 player PK shootout will commence. Only players on the field at the end of OT are eligible for the shootout.
- The last week of the season we will also conduct the annual basket raffle. We ask that all teams submit a basket to be raffled off and have those baskets turned in to the concession stand by July 1, 2021. Tickets will be sold July 6th thru July 10th with the drawings held after the conclusion of games on July 10th.
Winners need not be present, they will be called, phone numbers are written on the tickets.
