

REFEREES

- You MUST completely fill out a score card for each game officiated. Failure to fill out a score card will result in **no payment**. All sections of the score card must be filled out.
- Report any yellow or red cards on the back of score card, notify NYSL official, and fill out an incident report.
- **Player's uniforms cannot be altered in any way.** They may not be cut, drawn on, marked on, taped on, or sewn on. Any player with an altered uniform must be removed from the field.
- **Absolutely no jewelry is permitted on the field during play.** The only exception will be for medical bracelets or necklaces. These must be medically issued and taped or cushion where necessary.
- **Referee decisions are final and absolute as long as you are abiding by the laws of the game.** If you have any issues with players, coaches, or spectators, see an official of NYSL.
- If a Red Card is issued, that player is ejected from the game and is not eligible to play in the next game. Also, the team of the ejected player may not substitute for the ejected player and will play down for the remainder of the game.
