

Dear Coaches, Parents/Legal Guardians,

At the end of each season, NYSL holds a basket raffle, 50/50, and other fun events during the last weekend of the season. Each team will typically donate a themed basket to be raffled off during this event. Since we do not require players or parents to do additional fundraising, we ask for your participation in the end of season basket raffle June 22-23, 2024, to make an exciting end of the season celebration. Many of the children and family members enjoy the basket raffles, and it is a great way to support the league and players. Your coaches may ask each player to donate a themed item or monetary donation towards the end of the season "Dragon Cup" raffle basket. Please turn your baskets in to the concession stand by June 15, 2024.

Thank you for your support & here's to another great season of SOCCER!
